Oil Transport Escapes Disaster

There was a stir of excitement in the Canal Point packing house center around 8:30 Wednesday night when a Pure Oil transport truck loaded to the gills with 5,800 gallons caught fire and threatened the area with disaster.

The truck, headed south on US 441 with a load of gasoline for John E. Wilson's Pure Oil bulk plant in Pahokee, was parked in front of the Travelers Restaurant. The driver had stopped because of a flat tire and went into the restaurant for a cup of coffee before getting the tire fixed. When he came out the tire was ablaze and the hand fire extinguisher he used seemed to increase rather than retard the flames.

The Pahokee Fire Department was contacted and by the time its chemical truck arrived at the scene flames were enveloping the truck and everyone was scattering for points of safety. It was a stubborn blaze and there were several anxious minutes before the firemen had it under control.

Congratulations to Fire Chief Marvin Levine and his group of volunteer Pahokee firemen for a nifty job well done!

Pahokee C Of C Completes Drive

The Pahokee Chamber of Commerce went over the top in its annual membership drive Tuesday afternoon when the \$3,000 mark was passed and a total of \$3,259.50 was reported collected in membership fees, this total including \$85 in out-of-town memberships.

Thirty-one workers under the direction of Leonard Dobrow, drive chairman, sold approximately 200 memberships and neared the \$3,000 mark in an intensive four-day campaign ending Friday night. C. R. Wroten purchased the winning membership card which entitles him and Mrs. Wroten, as an award, to a free weekend as guests of the Colonades Hotel, Palm Beach Shores. Paul Collier also received a prize for selling the winning membership card.

Seniors Present Play "Smilin' Through"

Don't forget to see the Pahokee High School Senior Class play, "Smilin' Through," in the high school this Friday night, curtain time, 8:15 p. m.

Those who saw this delightful three-act comedy drama last night were of the opinion this is one of the best Senior Class plays presented in recent years, being fully the equal of last year's presentation of "Music in the Valley." Tonight is your last opportunity to see "Smilin' Through."

Included in the cast are Eleanor Walker, Calvin Padgett, Lewis Pope, Don Adams, Pat Kumer, Gene Caruthers, Harry Levine, Lynn Shirley, Helen Tucker, John Rogers and Danny Mullis. Mrs. Herbert Miller is the director.

C. P. Lions Hear Musical Program

Bandmaster Robert O. Lampi presented a group of musicians from his topnotch Pahokee High School Band in a musical program at the dinner meeting of the Canal Point Lions Club in the Community building at the County Park Monday night, with President Albert Fremd presiding.

It was announced the annual election of club officers will be held at the next dinner meeting Monday evening, April 20.

Dobrow Reports On Welfare Fund

The annual report of the expenditures of the Pahokee Rotary Club's Welfare Fund was given by Abe Dobrow, chairman of the welfare fund committee, at the Thursday luncheon meeting of the club last week.

Dobrow reported the main expenditure during the past year was \$585 for 24 tonsilectomies, five of which were for members of one family. Other expenditures included dental, \$117; Palm Beach County Crippled Children's Society, \$100; transportation, \$57.56; food, \$79; miscellaneous, \$24. Mr. Dobrow gave high praise to Dr. E. G. Johnson, physician, and Dr. R. R. Long, dentist, for the fine spirit of cooperation and generous services in the club's welfare program.

With a balance of \$582.56 still in the welfare fund, club members were asked to raise only \$25 each this year instead of \$50, which has been the customary amount in the past.

Other club members serving on the welfare fund committee with Mr. Dobrow are O. B. McClure, Jack Spencer, Joe Kahn, Elsworth Keen, Mrs. Don Hillier, Mrs. Leon Spooner and Mrs. Mildred Schoepel.

Legion Post 90 To Elect Officers

Members of Fred and Percy Mansfield Post 90, Pahokee American Legion, at a meeting Monday night made plans for the annual election of post officers.

Named on a nominating committee were Carmen Salvatore, Jr., David Uwin, Clyde Griffiths, Melvin Spooner and Edwin Rice. This committee will report its recommendations of candidates on April 27 and the election will take place Monday night, May 4.

It was announced Post 90 will name in the near future three delegates and three alternate delegates to attend the State American Legion convention in Orlando. Commander Howard Holman presided.

ATTEND KEY WEST MEET

Pahokee Rotarians and Rotary Anna who attended the Rotary District Assembly in Key West Sunday through Tuesday were Mr. and Mrs. Don Hillier, Mr. and Mrs. C. L. Shirley, Mr. and Mrs. T. W. Knight, Mr. and Mrs. W. J. Adams, Mr. and Mrs. Ellsworth Keen, O. B. McClure, L. L. Shirley and Oscar Dobrow.

Election Set On FP&L Franchise

The Pahokee City Council at a meeting Monday night made plans for a city election to be held Tuesday, May 5, for the purpose of electing two councilmen. The two-year terms of Councilmen Gil Galbaldon and Leo Wroten expire at that time.

Named on the election board were Mrs. Evelyn Stevens, Mrs. Veda Spooner and Mrs. Juanita McLarty, inspectors, and Mrs. Miriam L. Culany, clerk; Mrs. Rhoda Shive, Mrs. Pauline Rice, alternate inspectors; Mrs. Bertha Orr, alternate clerk; J. B. Elliott, deputy, and J. B. Spooner, alternate deputy.

The council passed an ordinance calling for a special referendum election on Thursday, May 26, when the issue of whether or not the city of Pahokee is to grant a 30-year franchise to the Florida Power and Light Company will be decided by the city's registered voters. R. D. Hill of West Palm Beach, division manager of FP&L, Beach, was present at the meeting to explain the advantage to be gained through the granting of the franchise.

It was announced the city registration books are now open and will remain open until 10 days before the May 5th election. They will be re-opened again on May 6th and will remain open until 10 days before the referendum election, on May 26.

The council voted city memberships of \$250 each to the Pahokee Chamber of Commerce and the Palm Beach County Resources Development Board.

The group also voted to increase the expense allowances of Mrs. Ruth V. Meredith, city parks supervisor. Several members of the local Garden Club with Mrs. John T. Pickett and Mrs. Don Hillier acting as spokesmen for the group, appeared at the meeting in the interest of increasing Mrs. Meredith's expense allowance and they gave high praise of her work in the beautification program of the city and the club.

Mayor Lewis Friend and Police Chief Leon Guthrie were appointed on a special committee to push ahead the work on the proposed city recreation park for Negroes. A request was made at the meeting for the city to open side roads at either side of the Negro school grounds as a safety measure for the school children.

Hospital Auxiliary To Elect Officers

The annual election of officers of the Everglades Memorial Hospital Auxiliary will be held at a meeting of the auxiliary in the hospital building Friday evening, April 24, at 8 o'clock.

Mrs. C. L. Wilder, chairman of the nominating committee, will report the recommendations of her committee. The group will make plans for a benefit dinner proceeds to go toward the expense of painting the Negro nursery and purchasing new drapes for hospital rooms.

"Heart Kitchen" Open To Public

A "Heart Kitchen", open to the public, will be held in the Pahokee Woman's Club building Saturday evening, April 25, under the joint sponsorship of the Everglades Memorial Hospital Auxiliary and the Woman's Club.

Guest speakers will be Miss Margaret Bodenstein and Mrs. Fulton of West Palm Beach. Motion pictures of the heart and symptoms of its disease will be shown.

Cancer Drive To Start This Week

The annual cancer fund drive is being conducted this week in the Pahokee-Canal Point area under the sponsorship of the Pahokee Business and Professional Woman's Club, with Miss Bette Lou Pickett, chairman, in charge of general arrangements.

On Thursday night, April 23, the County Park community building will be the scene of the annual free turkey dinner given by Mrs. Delmar L. Hooks, assisted by members of the club and others. Donations to the cancer fund will be welcomed at the dinner.

On Tuesday evening April 21 from 6 to 8 o'clock club members will make a house-to-house canvass for cancer fund donations, following which a film on cancer will be shown at the Woman's Club building.

Every night this week club members are supervising the collection of donations to the fund at the local theatres following each show. This coming Sunday, April 19, local churches will observe Cancer Crusade Sabbath.

County Receives Concession Check

The county's first check for the taxi cab concession at International Airport netted \$703.95—a payment for the last 11 days of March.

This amount was the greatest ever received by the county for this brief period. The concession was recently let to the Yellow Cab Company on a 35 percent split for the commission.

In another action affecting the airport this week, the commission voted to let the bid for operation of a car rental stand at the airport to Acme U-Drive It, Inc., on a 20 percent commission basis. The West Palm Beach firm was awarded the bid over four other bidders. Acme is agent for Avis car rentals, a nation-wide car rental organization.

GARDEN CLUB MEMBERS ATTEND CONVENTION

Members of the Pahokee-Canal Point Garden Club who attended the convention of the Florida Federation of Garden Clubs in Miami Wednesday through Friday were Mrs. Esther Hundley, Mrs. Ruth Chastain, Mrs. Hazel Chastain, Mrs. Irene Shaughnessy, Mrs. Martha McIntosh, Mrs. Helen Hillier and Mrs. Claude L. Shirley.

Farmer's Market Road To Be Rebuilt

A call for the immediate rebuilding of the Farmer's Market road near Pahokee was made by the county commission this week.

Request for adoption of such a resolution was made by Commissioner Paul Rardin who said that early repair of the road was an immediate necessity.

The commission, in its resolution, asked that the Glades road be included in the county secondary road budget which would clear the way for carrying out the project which has been planned for some time. The road prior to this time has been a part of the county's primary road system and has never received the green light from the state-road department.

Commissioner Rardin said that designation of the highway as a part of the secondary budget would open the way for use of county gas tax funds for financing the project.

He said that he expected bids would be called on the project in the very near future since plans and right of way deeds have already been approved.

441 Association Meet At Belle Glade

A meeting of the board of directors of the 441 Highway Association was held at the Woman's Club building in Pahokee Saturday afternoon, with President Manning I. Keen of Pahokee presiding.

The purchase of \$500 worth of 441 strip maps to be distributed by chambers of commerce in communities on 441 from Lake City to Belle Glade was announced by the board. Leslie Squires of Kissimmee was appointed to investigate the feasibility of erecting a large sign at Leesburg directing traffic on 441 and R. B. Meserve of Okeechobee and Emmett Roberts of Belle Glade were named on a committee of two to investigate the replacing of a sign at Holopaw which was destroyed by fire.

Plans were made for a 441 motorcycle to start at Belle Glade and end at Lake City, with a stop-over at St. Cloud for a dinner meeting, the St. Cloud Chamber of Commerce to act as host. Various of Commerce groups at numerous cities along the route will join the motorcycle.

In the afternoon from 4 to 6 o'clock the directors and their wives were conducted on a tour of Glades packing houses and other agricultural industries and were entertained at a water show held at the Pahokee municipal pool under the direction of Leland Keene, pool manager, and later they were guests at a dinner in the clubhouse, with the Pahokee and Belle Glade Chambers of Commerce acting as joint hosts.

Meat consumption, per capita, dropped slightly in 1951 but increased again in 1952, according to the Florida Farm Bureau. The average American ate 143.5 lbs. of meat in 1950; 137.6 lbs. in 1951 and 142.0 lbs. in 1952.

CHAMPION MELON EATERS

Peter, Peter, Pumpkin Eater couldn't hold a candle to these youngsters who know their way around when it comes to eating watermelon. They are practicing for the big watermelon eating contest which will be an entertaining feature of the 1953 Florida Watermelon Festival at Leesburg, May 20

Here Is What Transpired At Monday's Meeting Of The Palm Beach County Commission

In other actions affecting highway projects in the Glades, the county commission this week, instructed County Engineer J. M. Boyd to proceed with negotiations with the Florida East Coast railroad for construction of a grade crossing at Lake Harbor. An underpass now in operation at this point has not proven economically successful, the engineer said.

The board this week gave its stamp of approval to a legislative act being proposed in the state providing for adequate fire prevention and safety regulations in operation of nursing homes.

The board also appointed R. J. Held as superintendent of the Palm Beach County Home to succeed Clarence Webb who has resigned.

Named R. Griffiths to succeed William Allen as an assistant county auditor, Allen has been called to military service.

Received bids on a new pickup truck and a new passenger car. The bids were referred to Boyd for study and with orders to make the best buy.

Heard that a condemnation suit to acquire land adjacent to the court house for expansion purposes will be tried June 30. The county attorney was also instructed to enter an order of taking for the property if need be, to avoid any delay in proposed expansion.

Voted to have the Delray Beach News print the county's delinquent tax list.

Proposed legislative acts which were not presented at the special clinic called prior to the opening of the present session, will have to

shift for themselves it was ruled this week.

County Commissioner Kenneth Foster called attention to the legislative clinic which was called by Palm Beach County's legislative delegation for the purpose of hearing special acts that were to be introduced this year.

Foster said the clinic had ample publicity and that most of the individuals and groups in the county appeared before the legislative delegation with their proposed acts.

Bills not presented at the clinic are going to have to go forward without action of the county commission, the board voted Monday. The group voted not to give either its approval or disapproval to any proposed act saying that the bills received too late for the clinic would have to be sent direct to Tallahassee.

Circulated among the commission this week was a proposed legislative act drawn by the county solicitors office which asked that the solicitors job be declared a full time post and that the salary be set at \$10,000. The assistant solicitor was also included for a pay raise and the bill also asked for appointment of another assistant solicitor at \$8,000 per year.

Watermelon Festival To Be Held May 20

LEESBURG — Elaborate plans are being made for Florida's Annual Watermelon Festival which is scheduled to be held at Leesburg, May 20. Twenty or more beautiful girls are expected to enter the Queen Contest and a number of entries have already been received, according to Jack Grant, publisher of Florida Wildlife Magazine and director of the Festival this year.

The United States Marine Corps will again have a prominent place in the day long activities and it is hoped that the Marine Band will again be available for the colorful parade scheduled for the official opening of the event.

Other events include a watermelon eating contest, boat races, water carnival, and the coronation followed by a fireworks display.

Cinematic Chatter

By Malcolm Millar

Hello everybody! There comes a time in every actor's life when he toys with the idea of writing his memories. Louis Calhern has his chance now, if he wants it. He recently received an offer to submit an outline of his life to a New York publishing house. Calhern's career should make a fascinating story, starting with the episode which first brought him to the stage. As a high school football player in St. Louis, he was offered an extra part in a stage production of "Much To Do About Nothing," strictly on the premise that football players had good legs. "It never occurred to me that I was in a class with Marlene Dietrich," says Calhern, "but when the director offered me fifty cents (twenty five cents a leg) for each performance, I couldn't afford to pass it up." Then there was the time when he appeared in a third-rate musical, doing a "Dutch" comedy act and stealing material from Weber and Fields. In the same town was a Shakespearean company. Perhaps with the idea of "lifting" some of the Bard's most eloquent lines, he approached one of the Shakespearean actors and asked where he could borrow a copy of the play. "The actor was surprised," says Calhern, "and so was I, when I learned that Shakespeare's play could actually be purchased!" Early in his career Calhern auditioned for a role in a traveling road production of "Prisoner Of Zenda." The director did not share the earlier admiration for the Calhern "gams." He lost out to another actor whose legs looked better in tights. The chief reason for Calhern's reluctance to write a book is his professional laziness. As a stage player, he awakened at four p. m., dined at six, appeared at the theatre at eight, had a midnight snack at two a. m. and then went to bed. In Hollywood he finds himself on call at the studio at eight a. m., and has great difficulty in rousing himself out of bed. See you at the movies—Mal.

CAP To Re-Organize Glades Area Unit

Capt. W. E. (Bill) Golden of the Civil Air Patrol called a special meeting of the local CAP at the Belle Glade airport to complete plans for re-organizing the Glades unit.

Capt. Golden issued a special appeal for new members including pilots, observers and ground crew members. Anyone 18 years or older is eligible to join the Civil Air Patrol, which is doing a very important job in rescue work.

Ronnie and Elmer B. Elliott left Sunday for Tallahassee to join their parents Rep. and Mrs. B. Elliott, who are making their home in that city while the 1953 State Legislature is in session.

Mrs. Frances Harlow and Mrs. Lula Pope, former Pahokee residents now living in Lake Worth, visited Mrs. W. W. DuBose and other friends here over the weekend.

Defense is your job, too!

THIS IS A DAY OF DREAMS COME TRUE... for the returning Korean War veterans pressing against the ship's rail and for their loved ones waiting on the dock. The counted days of waiting are over. The nightmare of war is behind them. These boys have been far across the seas doing a hard, dirty, bloody job... a job of defense—for you.

But defense is your job, too. It is our job to help make America's economy as strong and dependable as these men have made her military power. And your job can be not only easy but rewarding—in financial security for you and your family. Just buy U. S. Defense Bonds. Buy them now and buy them regularly. For your bonds and other forms of saving can make America strong. And in this warring world, *strength* is America's surest guarantee of peace.

So sign up for bonds today—through the Payroll Savings Plan where you work or the Bond-A-Month Plan where you bank. For your security and your country's, too, buy United States Defense Bonds regularly!

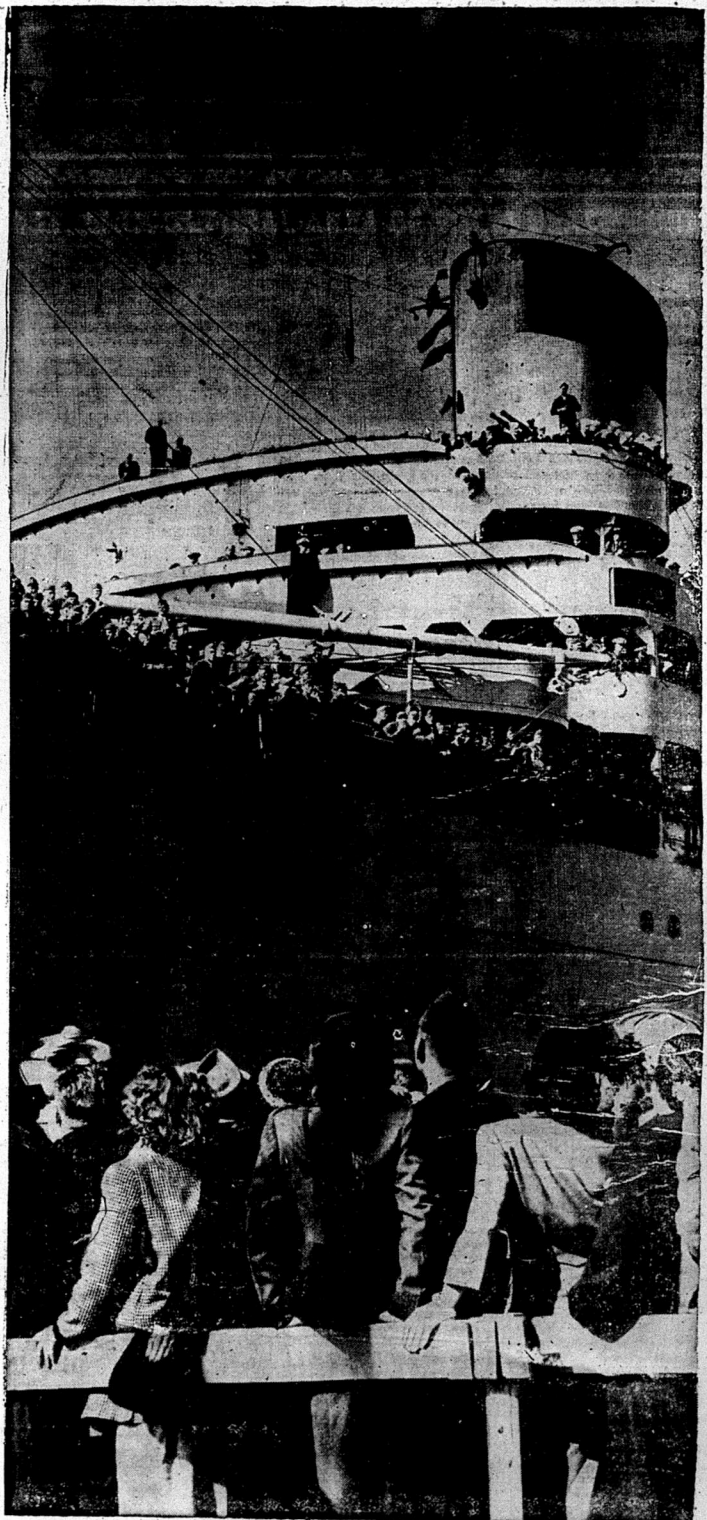

The U. S. Defense Bonds you buy give you personal financial independence

Don't forget that bonds are now a better buy than ever. Because now every Series E Bond you own can automatically go on earning interest every year for 20 years from date of purchase instead of 10 as before! This means that the bond you bought for \$18.75 can return you not just \$25—but as much as \$33.33! A \$37.50 bond pays \$66.66. And so on. For your security, and your country's too, buy U. S. Defense Bonds now! Bankers recommend them as one of the safest forms of investment.

**Peace is for the strong...
Buy U.S. Defense Bonds now!**

PLANTING TIME...

Wherever you see new telephone poles being "planted" and rural lines strung, it means service for folks who didn't have it before—service that helps get things done on the farm and in the home.

Every month, Southern Bell is adding about 6,000 new rural telephones. That's the kind of progress we like to report because we're devoting a lot of know-how, materials and money to rural telephone expansion.

This means more money to you!

**NOW YOUR U. S. SERIES E BONDS CAN EARN INTEREST
10 EXTRA YEARS**

ALL YOU WISE and patriotic people who bought United States Series E Bonds ten years ago and have held them can benefit by this new law! For according to this law the bonds you expected to mature finally in 1952 can now continue to earn interest every year for ten more years—till 1962—without your even lifting a finger!

To get this extra money, there's absolutely nothing you have to do. Just hold your bonds and let them go on earning!

If you wish, you may still cash any Series E Bond at any time after you've owned it for sixty days. But you'll be better off to hold your bonds, just as you're better off to hold savings in any form.

First of all, as long as you don't cash your bonds, you don't have to pay income tax on the interest they earn. In the second place, cash in the pocket melts away fast—often with little or nothing to show for it. But cash in bond savings is always there—growing steadily toward the big sum which can buy something really worthwhile. . . . And remember—the interest rate on Series E Bonds has been increased to 3% compounded semi-annually, when held to maturity.

So if you have bonds coming due, why not take advantage of your extra-income opportunity? Just sit back and let them go on mak-

ing more money for you. And meanwhile keep adding to your cash savings by buying more U. S. Defense Bonds regularly—through the Payroll Savings Plan where you work. It's the easy, systematic saving plan that's so helpful because it lets you save *before* you even draw your pay. Thousands on the Plan say it's the one sure way to save.

3 NEW MONEY-MAKING OPPORTUNITIES FOR YOU!

*New Series H, J, and K
Defense Bonds pay 2.76% to 3%!*

If you want to get the interest on your bonds in the form of current income, or if you want to invest more than the annual limit for E Bonds, ask at any Federal Reserve Bank or Branch about these new bonds:

SERIES H. A new current income bond, available in denominations of \$500 to \$10,000. Sold at par. Matures in 9 years 8 months and pays approximately 3% interest per annum if held to maturity. Interest paid semiannually by Treasury check. Annual limit, \$20,000 maturity value. Issued only by Federal Reserve Banks and Branches and at the Treasury.

SERIES J. A new 12-year appreciation bond, available in denominations of \$25 to \$100,000. Sold at 72% of par value. Pays 2.76% compounded semiannually if held to maturity. Annual limit, \$200,000 issue price jointly with Series K Bonds.

SERIES K. A new 12-year current-income bond in denominations of \$500 to \$100,000. Pays interest semi-annually by Treasury check at the rate of 2.76% per annum. Sold at par. Annual limit, \$200,000 issue price jointly with Series J Bonds.

INVEST MORE IN DEFENSE BONDS!**

Christian Science Group Of Canal Point

Practical proof of man's oneness with God, as evidenced by Christian healing, is the theme of services in all Christian Science churches next Sunday when the subject of the Lesson-Sermon is "DOCTRINE OF ATONEMENT". The Golden Text is from I John (1:3): "That which we have seen and heard declare we unto you, that ye also may have fellowship with us: and truly our fellowship is with the Father, and with his Son Jesus Christ."

Bible references include the following from Psalms (40:8): "I delight to do thy will, O my God: yea, the law is within my heart." Correlative passages from "Science and Health with Key to the Scriptures" by Mary Baker Eddy include: "The scientific unity which exists between God and man must be wrought out in life-practice, and God's will must be universally done" (p. 202).

Local Methodists Hold Conference

The Canal Point Methodist Church held its Fourth Quarterly Conference last Wednesday evening, April 8th, with the District Superintendent, Dr. J. H. Daniel presiding. This meeting is of particular importance for it is the final church meeting of the church year, and reports are given from various officers of the church, indicating progress that has been made in the different departments. It is also the time of election of new officers.

The church treasurer, A. R. Harrington, reported on the general finances of the church and the new church building. Church School Superintendent, D. L. Hooks gave a report on his department, praising the fine work of the teachers, and telling of the many activities of the Church School. These included a gift of \$400.00 through the year to the new church building. Miss Frances Wilson, president of the Methodist Youth Fellowship, reported that the young people have been very active, locally, and in the denomination.

The report of the Women's Society of Christian Service, was given by Mrs. Earl Maxson, and was highlighted by the fact that in the last five months the women have raised over \$1100.00, and have thus provided for the new pulpit furniture for the new sanctuary. The pastor's report gave the highlights of the church year, and the plans for the new year to come, which center mainly around
